Avg. Bgse Gpa
For a given University Country (Country of the Undergrad University of a student):
RED dots represent the GPA average OBTAINED AT THE BSE
BLUE dots represent the GPA average at the UNDERGRAD
The size of the blue dot represents the number of students from this particular country
GREEN TRIANGLE represents that the performance at the BSE is better than in the Undergrad
ORANGE TRIANGLE represents that the performance at the BSE is worst
xxxxx (yy) :: xxxx means the difference between GPA of origin and BSE GPA;
(yy) means the number of students from that country
