

GPA_PERFORMANCE by Country University

For a given University Country (Country of the Undergrad University of a student):

RED dots represent the GPA average **OBTAINED AT THE BSE**

BLUE dots represent the GPA average at the **UNDERGRAD**

The size of the blue dot represents the number of students from this particular country

GREEN TRIANGLE represents that the performance at the BSE is **better** than in the Undergrad

ORANGE TRIANGLE represents that the performance at the BSE is **worst**

xxxx (yy) :: xxxx means the difference between GPA of origin and BSE GPA; (yy) means the number of students from that country
